Promise of Fiery Revival

God is not a man that he should lie or the son of man that he should change his mind. His word does not return to him void! For over a hundred years God has been speaking about his plans for Cape Town. He has spoken of a fire- a fire of his glorious blazing presence that will start in Cape Town and will ignite the nations of Africa as it travels from Cape to Cairo. A blaze of revival that will ignite not just Africa, but the nations of the world. A fire of glory and purity.

Like in the times of Ezra (Ezra 4 and 5), NOW is the time for promises of old to be found and claimed for THIS generation. It's a season of redeeming time! The word has gone out and though it has tarried, it MUST accomplish that for which it was sent.

Promise with Conditions

BUT.....this is NOT a time of idle waiting. It's a time of consecration. God would circumcise our hearts before we enter the land. God's conditions have been stated- will we respond? Even before the condition 'if my people will pray', a mandate was give...'If my people would HUMBLE themselves'.... If my PEOPLE, if my SHEPHERDS, if MY LEADERS would give up their own agendas.... NOW is the time for building THE HOUSE OF THE LORD, not for paneling our own houses- our own ministries, our own denominations. It's time for building the KINGDOM OF GOD in this City. This is sacrificial unity! Its unity that calls us to cross the road. We have been like the priest and the Levite who used reasons of religious dogma to walk by, but now it's time TO CROSS THE ROAD. To build unity that is based on LOVE-relational unity. It's about the bride in this City, not my ministry or movement.

Eagle unity

It's time for the eagles to show the way, for the eagles to come bearing olive branches- to hold out branches of peace even eagle to eagle! Prophets who live out the message they carry! And as the prophets come together a new purity will flow in the prophetic. The prophetic will again carry the weight of the voice of the Lord and will once more sound a clarion call to the church! The watchmen will

come into their rightful places on the walls of the city and the plumbline of righteousness will be established at the city gates!

True Kingdom Identity

This is a move of God that WILL NOT BE OWNED OR CONTAINED! It will wash over structure made to enclose it. It's a move of the WHOLE BODY coming into her identity- of Jesus being fully the head of his church. Of servant leadership. It's time for the streams to come together in a RAGING RIVER that breaks the banks- THE CHURCH IN CAPE TOWN- A CITYWIDE BODY! It's time for the vines to intertwine to make cords that cannot be broken, and which will run over the walls that divide or limit (Genesis 49:22).

This is not a move of multi-culturalism...no we are called beyond that. We are called to a body in which there is NO GREEK OR JEW! This is about the church coming into her true identity- A NEW race, new tribes and new holy nation! A people SET APART. A NEW culture of love and obedience to the King. This IS NOT A POLITICAL MOVE, it's a move of consecration in the hearts of man! It will emerge from the stables of humility and not from the palaces of opinion. The movement will not be imposed by the weakness or brokenness of human earth laws but will emerge through the power of grace! Jesus Christ will reign over Jesus Barabbas. Sacrificial love will win!

Race against the Horses

Over this past decade God has been restoring an understanding of Sonship but this will now explode in a revelation of authority. The son has come home and is being dressed and robed. THE SIGNET RING IS AGAIN BEING PUT ON HIS FINGER! AUTHORITY IS RETURNING TO THE CHURCH! The church will laugh at the days that are coming because the son knows what he carries!

If you got tired racing against people on foot, how can you race against horses? (Jer 12:5). Time is coming to do the impossible and run with the horses. It's time for the bride in this City to make herself ready- to lay down her personal ambitions for her King. It's a costly unity and a pricey humility. It's a revelation of death to self! It is time for us prepare the kindling for the fire to be ignited. For the glorious goodness and holiness of God to blaze in this City.
