

CAPE TOWN PRESENTATION: THE CHURCH 2060
STELLENBOSH SOUTH AFRICA; 13/07/2019

Should the Lord tarry!

Cape Town is a gateway city, a door, and entrance!

Gateway cities have door keepers, and keys. [Keys represent the authorities, the graces, and the anointing's]

Cape Town therefore has certain special mandates unique to her status.

To function in her mandate the City Church of 2060, needs to understand her:

- Rights. (SONSHIP, Image, Identity)
- Responsibilities, (Ownership of purpose and territory, Edenise)
- Privileges, (Recourses)
- Authority. [shut what was previously opened, open what's mandated]

To see the future church I must do a few things:

- 1) See Christ who is the spirit of prophecy Rev 19:10
- 2) See the Pattern in God: Dan 7:9 & Ezekiel 1:13-21
- 3) See the pattern in the universe Gen 1:14. Must recognize the revolutions, the revolving nature of time. I must in fact see in a circle, to do so, I must find the axiom.

We see that Jesus is both the start and the end. Rev 1:8 He was slain before the foundation of the world, he started the circle, but came in the perfect spot on the circle. Heb 9:26, and he completes the circle Heb 9:28

Jesus show us a circle, a wheel if you will; Matt 24:37. A revolution occurring in time. He again tells us Matt 11:14 that the Jewish understanding concerning Elijah's return had in fact occurred. He was indeed also coming again Matt 17:10-12 and Malachi 4:5: Here another pattern occurs;
recurring arch types.

So where is the axiom of our age, what event is the point at which this age is revolving, where is history emanating from?

In my view, the axiom of this age is the promise of the father Acts 1:8, it defines the age of the church which begins after Acts 2: 17. [With acknowledgement to Peter Van Niekerk Apostle at WCF, in commenting on Joel 2:28-29 says "The expression in those days, is in the long Hebrew tense, expressing continuance of action, literally an incoming, unfinished and continuous outpouring, it therefore covers the whole

dispensation of the Holy Spirit beginning with Pentecost and continuing in wider and wider circles...]

In addressing the Greek again, I'm grateful to PVN for rendering the following. ACTS 2: 1 (Imperative tense, which has the meaning of free flowing water) and when the day of Pentecost was IN THE PROCESS OF BEING FILLED. The meaning implicit is a continuous flow of Pentecost. The meaning is further strengthened by the words used in John 15, whenever and comes!

So what does the future look like for the church?

- COMMON PLACE: Since Pentecost was not an event, or series of events, but an ongoing process! This process will continue accelerating, intensifying until its fullness is reached, when it has filled all in every way! Pentecost is permanent until the age is closed. Reports of displays of the Lords powerful infillings will be occurring simultaneously everywhere at continental level, at regional level, at local level and within local regions. God chasers stay at home!

In 2060, prophets and prophecy will be common place, both the out pouring and the objective of the outpouring prophecy and prophets Acts 2:17-18 is continuously increasing until the purpose is completed.

Prophetic unction will be common place!

Training prophets and releasing prophets will be common place!

Prophets operating in all the spheres of authority, business, government etc. common place!

Prophetic teams common place!

- COMMON WEALTH: ROM 12:6
Prophets will operate areas of specification, cooperating and dividing labour. In Durban, there is an emerging pattern, around Training, Conferencing, ministry teams, Mission etc.
Prophets and Apostles cooperating!
Prophetic leadership, inter racial, inter cultural and genderless!
Gifts will operate in partnerships, this is unity Ps 133. 1 Cor 12 not just prophets, but gifts of finance etc.
- COMMON PROVISION: Acts 2:45-4 & 4:34, 37
- COMMON UNDERSTANDING: EPH 4:7-11
- COMMON DISCERNMENT: Acts 5:1 & 5:3 & 8:21

- COMMON EVIDENCE: healings, signs and wonders, miracles, growth in believers. None of these will diminish, but increase in amount, in location from periodical to permanent.
- COMMON ACCOUNTABILITY: Accountability will be friendship and relational based, honoring the Spirit created man, the call, and function, the area of deployment. Mark 9:38-40
- COMMON BLESSING: Mark 5:44 The Eden project!

CAPE TOWN SPECIFIC REVELATION: ANOINTINGS TO SET FREE

Cape Town is a door, and entrance, a Gate. (Parliament)[Mirror]{Knowledge}

- SLAVERY: and its long term affects, the deep scars to the psyche and the offspring. The continuing legacy through morphing. It came in here it must be neutralized here. Heritage Apartheid and our current labour and economic policies.
- OCCULT: Acts 19-17-19, the clear and obvious power of the church in Capetown will lead outsiders to deeply revere Gods church and forsake the alternative religions and occult practices. [includes **freemasonry** and all other religions]
- IMAGE OF GOD: LGBT
- MUSIC : HQ: I saw a growing relocation of Musical studios and those types of recording projects.
